Professional Experience

Web Development Intern, Acme grade pvt ltd

Bengaluru, India

Acme grade pvt ltd Developed responsive and interactive web pages using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and adhering to modern web development standards . Implemented UI/UX designs using CSS preprocessors like Sass, and CSS frameworks like Bootstrap, to create visually appealing and user-friendly interfaces

Projects

Python Snake Game

Developed a classic Snake game using Python, implementing game logic, graphics, and user input handling. The game features a snake that grows in length as it consumes food pellets, with the goal of achieving the highest score possible without colliding with the game boundaries or itself

E-commerce Website

Developed the front-end of an e-commerce website using HTML, CSS, Java Script, providing a seamless and intuitive user experience for customers. The website featured a responsive design, ensuring optimal viewing and interaction on various devices
